

Can't Find Your Exact....

PVC BISTRO BLIND® DROP?

Have the Drop of your Clear or Charcoal PVC Bistro Blinds® professionally shortened to suit your specific structure dimensions.

Widths are available in 900mm, 1200mm, 1500mm, 1800mm, 2100mm, 2400mm, 2700mm & 3000mm and will NOT be altered.

Extenders are available to increase your Bistro Blind® width by 50mm, 100mm or 150mm on each side.

Drops can be altered from 2400mm drop down to 500mm drop, or extended from 2400mm up to 3000mm drops.

Recording Your Measurements

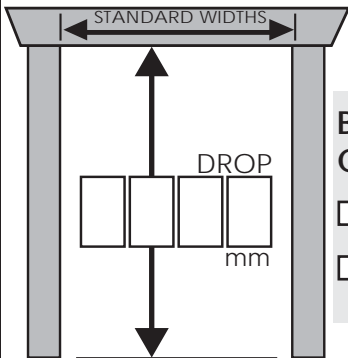

1. When measuring your drop, be mindful of blind position & height of fixing points.
2. Take drop only measurements, from fixing point to floor/decking.
3. Use metal tape measure for accurate measuring. Take multiple measurements to ensure accuracy.
4. Record all measurements in millimetres.
5. Please measure your exact application dimensions (ie: from beam to decking).
