## VENETIAN BLIND SIZE?

Selected Venetians can be professionally shortened in width & drop to suit your specific window size.

Widths can be shortened to in-between Standard Sizes from 2400mm down to a minimum width of 390mm.

Drops can be shortened to achieve any drop, down from 2100mm.

A special Drop Extension Service is available to lengthen blind drop from 2100mm up to 2400mm.

### Recording Your Measurements

1. When measuring your window you must decide on FACE-FIX OR RECESS FIX installation.
2. Please only fill out the window sizes in the installation section below for the type of installation you require.
3. Use metal tape measure for accurate measuring. Take multiple measurements to ensure window is square.
4. Record all measurements in millimetres
5. Please measure window exactly, SHP will make any necessary allowances for brackets.
